1. The eye medicines, reported in reference report, as having been shipped from Stettin to China and the Communist Balkan countries, were packed in cases marked "Augenmedizin" and so entered on the invoices. These deliveries have continued up to the present time. The cases are locked.
2. The eye medicine manufactured by Pharma VVB Chemische Fabrik von Heyden, Radebeul-Dresden, is intended to cure ordinary eye diseases. It is not effective in the healing of eye troubles caused by poison gas.
3. There have been no additional deliveries of apatite from the Soviet Union to Stettin since the reference report was submitted.
